John V. O'Neill
Director Oxford House, Inc.
4911 Aurora Drive
Kensington, MD 20895

Dear John:

I want to thank you for coming to Salinas to meet with the SSC staff and me last week. I appreciate the report you prepared before you left.

All involved are still charged up and ready to implement the Oxford House concept. As we progress I will keep you posted. Please let me know how your plans are coming along.

I am sorry I had plans to leave town, but hope we will have an opportunity to spend more time together in the near future.

Again, thank you.

Sincerely,

Martin H. Dodd
Executive Director
